## New District Developments...

Some takeaways of things happening in the District Include:

- Official Team Leaders at IEP Meetings
- Superintendent Dr Rodrigues will be joining SEPAC for two Round Tables this school year. It will provide a great opportunity for you to express your concerns
- The hiring of an Assistant Director of Student Services
- Kathy Provost is Acting Assistant Superintendent for Curriculum, Instruction and Professional Learning
- Aspen System: the District is switching its student information system to Aspen. It should provide an easier system for staff to access each students information. There will be a new customization of transcripts, report cards and schedules. It is expected to “Go Live” August 7 for staff. Parent/ student access (IPass etc) will be delayed until approximately two weeks into the school year.
- A new 2017-18 calendar will be released
- Steve Smith is our new School Committee Representative for SEPAC

**WE LOOK FORWARD TO A NEW SCHOOL YEAR REPRESENTING SOME EXCEPTIONAL STUDENTS WITH FANTASTIC PARENTS!**
